

**THE PROMENADE AT SUMMIT –  
THE NEXT STEP IN LUXURY LIVING**

**Summit, New Jersey, August 18, 2008:** From the creative minds at Diversified Properties comes the arrival of a unique new community set in the heart of one of New Jersey's most desirable towns. With the development of The Promenade at Summit, the acclaimed builder has once again raised the bar of affordable, luxury living in New Jersey.

The only condominium residence to open in the city in years, The Promenade at Summit is a rare and exciting opportunity for both first-time homebuyers and those looking to downsize, without forgoing style. By offering a limited, intimate collection of single-family homes, as well, The Promenade at Summit is also an ideal community for move-up buyers in need of more space.

A community of elegance and convenience, The Promenade at Summit features 22 upscale condominiums and 7 custom-designed, single-family homes, surrounded by all the comforts and convenience of sophisticated urban living. The community is located just blocks from the downtown Summit shopping district and the world-famous Mall at Short Hills– and an easy 30 minutes by train from midtown Manhattan. To celebrate the arrival of the new community, a special Ribbon Cutting Ceremony is scheduled for early September, with many city officials, including Summit Mayor Jordan Glatt, expected to attend. A Grand Opening Weekend is also being planned for early Fall.

Blending low maintenance with high style, the sophisticated condominiums homes offer 2 bedrooms, 2 baths and up to 1,604 square feet of living space, priced from \$599,900. Soaring 9-foot ceilings create a scope of grandeur throughout, while designer gourmet kitchens, appointed with stainless steel appliances, will delight the family chef. Condominium residents will enjoy private underground parking with elevator access.

The spacious 4-bedroom homes offer up to 4,297 square feet of living space and impressive 9-foot ceilings throughout the first floor. Designer gourmet kitchens feature stainless steel appliances, while spacious master suites offer walk-in closets and a large private bathroom. Also included are finished basements with a full bath, which add a substantial amount of living space and will enhance the value of every home. Inviting family rooms and formal dining areas create fantastic gathering spaces for family and friends. Traditional exteriors with stone accents are designed for beauty, while Andersen windows provide energy-efficiency and elegance. Single-family homes are priced from \$884,900.

There are many reasons why Summit is one of the most sought-after cities in New Jersey, starting with its commuter-friendly atmosphere. Summit is a major transportation hub, with easy access to Routes 24 & 78, the Garden State Parkway and Newark Liberty International Airport. Commuters will especially appreciate the downtown NJ Transit station, with 30-minute midtown direct train service into Manhattan.

A short drive from the community, sophisticated shopping abounds at The Mall at Short Hills, known as one of the finest retail malls in the country. Homeowners at The Promenade are within minutes of downtown Summit, a shopper's paradise featuring an abundance of specialty shops, fine clothing stores, excellent restaurants and ample free parking. Summit is also a city rich in culture and recreation with the Visual Arts Center, Summit Theater and Canoe Brook Country Club, which offers an 18-hole golf course, 7 tennis courts, a large swimming pool and much more. Summit families also benefit from a top-rated school system, and some of the finest private schools in the state.

Diversified Properties has enjoyed 25 years of quality and success. Projects have included custom single-family homes, townhomes and condominium communities to active-adult and age-restricted communities, as well as multi-family luxury rentals and land development for commercial and retail uses. Diversified Properties has developed numerous high-profile projects throughout the Northeast region, including New Jersey, New York (including Manhattan) and Connecticut.
